FOOD & BEVERAGE

• Indonesia cuisine is a collection of various regional culinary traditions that formed the archipelagic nation of Indonesia. There are a wide variety of recipes and cuisines in part because Indonesia is composed of approximately **6,000 populated** islands of the total **17,508** in the world's largest archipelago, with more than 300 ethnic groups calling Indonesia home. Many regional cuisines exist, often based upon indigenous culture with some foreign influences. Indonesia has around **5,350** traditional recipes, with 30 of them considered the most important. Indonesia's cuisine may include rice, noodle and soup dishes in modest local eateries to street-side snacks and top-dollar plates.

KEY HIGHLIGHTS

- The food & grocery retail market includes the retail sales of all food products, both packaged and unpackaged, as well as beverages (including retail sales of all alcoholic and non-alcoholic beverages), and household products. All on-trade sales of food and beverage are excluded. All currency conversions are calculated at constant average 2017 exchange rates.
- The Indonesia food & grocery retail market had total revenues of **\$201.3bn** in 2017, representing a compound annual growth rate (CAGR) of **8.1% between 2013 and 2017**.

• The food segment was the market's most lucrative in 2017, with total revenues of **\$164.9bn**, equivalent to **81.9%** of the market's overall value.

• A growing middle class in Indonesia is driving expansion in the modern retail sector. What's more, a rise in prices of basic food products such as vegetables, rice, and seeds has been resulting in stronger value growth in this market. and soup dishes in modest local eateries to street-side snacks and top-dollar plates.

BENEFITS FROM THIS INSPIRING BUSINESS HUB

- Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the food & grocery retail market in Indonesia
- Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the food & grocery retail market in Indonesia
- Leading company profiles reveal details of key food & grocery retail market players' global operations and financial performance
- Add weight to presentations and pitches by understanding the future growth prospects of the Indonesia food & grocery retail market with five year forecasts

EXHIBITORS' COMMENT

I'm really surprise, because this year it's so fantastic, big success for SIAL Interfood

Chef Candra Yudaswara

It is very organized & we really thank you for this good exhibition and everything is going well and we are so happy and so glad to be here.

Ahmad Eltayeb (Nadeed Alwashm Dates)

The crowd has been amazing, I think I'm seeing more people than last year which is always great.

Jasmine Tjoeng
(Kartikawira Adisukses)

I like the spacial planning this year, nothing is too narrow. The layout is also getting good and the booth styles of each tenant are also good. And I think there are more participants and visitors this year, all places are so crowded.

Chef Rudy Choirudin
(PT Motasa Indonesia)

**At SIAL INTERFOOD,
you will definitely**

- Find new business
- Generating new sales
- Increase brand awareness

IMPROVE YOUR PRESENCE

VISITORS' COMMENT

Exhibition is very good & we find very good business opportunity here and hopefully next year we come with our stall so we find more, a very good business opportunity here.

Suraj Tilala
(Spice Nest, India)

Very inspiring and technological advance if we never come we will not know. Very helpful for our own insights.

Sulistiyarto Darmawan
(Rizs Kitchen)

This exhibition is so good. It is wider than before and more variety things offer than before

Evi Natalia (Mitra Harmoni Sejahtera)
